## RUTGERS SASHP NEWSLETTER

Monday, February 28, 2022

Dear SAS Honors Program Students,

As we approach the middle of the spring semester, now is a great time to check in. Pretty much everybody I've talked to over the past few days has mentioned how their workload ramped up recently and they suddenly have a mountain of assignments due. If you find yourself in a similar situation, take a breath, have a hot drink, and write down every assignment due in the next week. Something about taking due dates out of your head and putting them down on paper externalizes the problem, so write down everything you've got. Hopefully, it'll help make the middle of the semester a bit more bearable.

Interrupt the constant workflow with some of these upcoming events/announcements. Network with fellow students and honors alums at the upcoming **Young Honors Alumni & Student Virtual Mixer**. Think about ways you can be more engaged on campus during the upcoming **Involvement and Leadership Week**. Rising juniors interested in pursuing a career giving back and social service should apply for the **Lloyd C. Gardner Fellowship Program**. Tomorrow is the last day to get in your **Study Abroad Application**. Apply to be a member of the **Leader Corps**! Keep an eye on the **@hpmentor Instagram account** for **#PMPWellnessWednesday** posts throughout March.

Warm Regards,
