Dear SAS Honors Program Students,

Although the weather is still cold and dreary, there’s no denying that spring is approaching. If you look closely at your surroundings on your walk to class, you can pick out the first signs of spring: small flower buds blooming and faint birdsong. I’ve missed being able to wear short-sleeved shirts and eat lunch outside. But Jersey winters don’t last forever. Before you know it, we’ll all be relaxing during a well-earned spring break.

Here are some fun events coming up. Hear an esteemed author speak at the Rachel Devlin Book Talk! Show off your coding skills at HackRU. Learn more about careers in the food industry by attending Eat & Greet! Interested in pursuing medical school? Hear more at the RWJMS Presentation with BA/MD Program Discussion. Enhance your leadership and organizational skills by applying to be an ODASIS Recruiter. If you’re in a biology or health-related field, apply for the Ralph & Eloise DeFalco Scholarship. Become a part of the SASHP Media Team leadership by applying for the Digital Historian position.

From all of us here at the SASHP, enjoy the week!

With warmest regards,
Julianna Rossano
Student Director of Honors Media
