

Fool's Gold

RUTGERS SASHP NEWSLETTER

Monday, April 1, 2019

Dear SEBS Honors Program Students,

April Fool's! Today is a day for you to pull harmless pranks on your friends, like offering them a bottle of juice that's actually filled with jello. Of course, it's also the birthday of Fred and George Weasley. The only prank I've ever really pulled is taping googly eyes to random items around my house. Pranks can be a simple way to joke around with your friends, but only if you both enjoy them. If you would like to see an example of a truly exceptional April Fool's Day joke, check out the BBC's 1957 broadcast on the Spaghetti Crop.

Here are some events coming up. Join fellow SASHP students for an **Honors Movie Night**. Attend an information session with an investment banking professional from **Guggenheim Partners**. Hear an esteemed Harvard professor give a lecture entitled "**American Racism in the Age of Trump: A Sociological Analysis**." Join a graduate student colloquium at the **Paul Robeson "Teach-In"**. Attend the **Richard D. Heffner Open Mind Lecture** for a talk about journalism and democracy. Hang out with the Peer Mentor Program for a free **Sip & Paint**. Receive academic advising at **Donuts with Dean Ackerman**. Seniors: share your reflections by auditioning to be a **senior speaker**. If you're studying life sciences, apply to the **Life Sciences Summer Undergraduate Research Fellowship**. Help spread publicity for a sustainable startup by entering into the **OMO! Marketing Case Competition**.

From all of us here at the SEBSHP - whoops, I mean the SASHP - enjoy the week!

With warmest regards,
Julianna Rossano
Student Director of Honors Media
