

Out with the Old, In with the New!

RUTGERS SASHP NEWSLETTER

Monday, September 9, 2019

Dear SAS Honors Program Students,

Goodbye clouds of gray, hello skies of blue! Although the end of summer is always bittersweet, I try to find the benefits of returning to class! I can see my old friends more often, I get to meet new people, and I have more chances to turn school assignments into passion projects. The transition into a new school year allows you a chance to reflect on what you've done well in the past, to change habits that may have been holding you back, and to start fresh, especially if you're new to Rutgers! If you seek a chance to learn a new skill or join a club that interests you, check out Rutgers GetInvolved! If you'd like to change your classes, you still have time! The last day to add a class is Sept 11, and the last day to drop a class is Sept 10. A new school year brings new success!

Here are some events, new and old, to attend. Attend the **RU Center for Cognitive Science Colloquium** for a discussion on language science! Give back to your community by joining the SASHP on the **Scarlet Day of Service**. Prepare for success by attending the **Fall Career and Internship Mega Fair**. Questions about advising? Drop in at McCormick lounge for some **Desserts with Dean Kim-Lee**. Juniors and Seniors: learn about internships and job openings at the **Deloitte recruitment event**! Read about the accomplishments of past SASHP students in this month's **Honors Alumni Spotlight**, featuring our own Dean Sadowsky. Seniors: share your wisdom, experiences, and reflections by filling out a **Senior Spotlight**. Connect with the SASHP by applying to be an **Honors Instagram Poster**. Interested in real-world politics? Check out the **Eagleton Undergraduate Associates Program**.

From all of us here at the SASHP, enjoy the day!

With warmest regards,
Julianna Rossano
