Dear SAS Honors Program Students,

It’s that time of the year, folks. The most amaiz-ing season is approaching. If these jokes are a little corn-fusing, then I ought to explain myself. It’s the first day of autumn! It’s time for the air to turn (apple) crisp and for trees to become unbe-leafably vibrant. Fill your autumn days with your hot beverage of choice, warm clothing, and a seasonally-appropriate movie. Humpty-Dumpty had a great fall, and I hope you do, too! Thanks for sticking with me through all the acorn-y jokes.

Now that the puns are out of the way, here are some fun events happening around campus. Questions about advising? Visit your honors advising dean or stop by Desserts with Dean Kim-Lee. Join the summer reading selection committee to help pick our next summer read! Learn about a unique service opportunity by attending The Dream Project Info Session. Reserve tickets for the NJ Film Festival. Plan ahead by attending the Passport to Student Success, hosted by the Peer Mentors. Learn about the 5-Year Teacher Education Program at their upcoming info session. Are you looking for job and internship opportunities? Join the Black Business Association for advice! Seniors: share your wisdom, experiences, and reflections by filling out a Senior Spotlight. Apply today: show off the life of an honors student as a HIPster! Do you enjoy writing? Now’s your chance to blog for the SASHP!

From all of us here at the SASHP, have a gourd day!

With warmest regards,

Julianna Rossano
Student Director of Honors Media
