Dear SAS Honors Program Students,

Nowadays, it’s easy to stay connected with friends who live far away. Maybe they’re your friends from high school, Rutgers friends who graduated, or even friends who moved to a different campus. It’s easy to stay up-to-date with each other’s lives and still send each other messages. Never underestimate the value of an in-person meet-up or even just a skype or phone call. You may find that it’s worth the extra effort to keep in touch.

Here are some fun events coming up. Plan ahead by attending the **Passport to Student Success**, hosted by the Peer Mentors. Learn about a unique community service opportunity by attending **The Dream Project Info Session**. Join the Artists Collective for a **salon and writing workshop**. Join the SASHP on a trip to the **Tenement Museum**. Seniors: your **honors class academic meeting** is coming up. Join **Eagleton’s Center for Youth Political Participation** to watch the **Democratic debate**. Sign up for a **Scarlet and Black Tour** to learn about our school’s deep and storied past. Watch an award-winning film at our **movie night**. Questions about advising? Ask your honors advisor or stop by drop-in advising with **Dean Hashemi**.

From all of us at the SASHP, enjoy the day!

With warmest regards,

Julianna Rossano
Student Director of Honors Media
