Dear SAS Honors Program Students,

It's the beginning of the first full week of classes, and you may find yourself feeling lost or overwhelmed. Sometimes, college can feel like a ride you want to get off. In the words of Troy Bolten, just listen to your own heart talking and count on yourself. Give it all you got, turn your life around, and mean what you say. Okay, his advice might be a little dramatic for the average college student, but it's still important to have confidence and stay true to yourself. Are you going to have an excellent semester? You can bet on it!

Here are some fun events coming up to help kickstart your semester. Show off your artistic talent by submitting to the newest Artists Collective Exhibit. Test your problem-solving skills at the Citi x Rutgers Solve-A-Thon. Take on a leadership role in the honors community by applying to be a Peer Leader in Jameson! Buy your tickets for the annual SASHP Winter Formal. RSVP for the Futures in Advancement Summer Internship info session. If you plan on attending RU commencement, nominate a commencement speaker for May 2021. Show off the life of an honors student by applying to be a HIPster (Honors Instagram Poster). The NCHC Journal of Undergraduate Research and Creative Activity currently seeks an Associate Editor. Share your research to the Columbia Undergraduate Science Journal.

From all of us at the SASHP, enjoy the day!

With warmest regards,
Julianna Rossano
Student Director of Honors Media
